DECLARATION OF MARY BENDER

Pursuant to 28 U.S.C. §1746

I, Mary L. Bender, hereby state that I have personal knowledge of the facts set forth below and am competent to testify about them. If called as a witness, I could and would testify as follows:

1. I am 65 years old and I reside in Elizabethton, Tennessee. Sometime in July 2016, I received a notice in the mail from the Commissioner of Judging, Award Notification Commission ("ANC"), P.O. Box 2095, Kansas City, Kansas. The notice looked official, with a "CORPORATE JUDGES SEAL" and a box at the top indicating "FILING YEAR 2016." The notice indicated that it was "authorized by Larry Hourd – Executor of Awards" and included a signature just below a box listing \$1,327,940.000 and the statement that the "AMOUNT ABOVE – LUMP SUM SUPPLEMENT AT OPTION OF WINNER." In addition, the notice stated that:

As Executor of Awards for the AWARD NOTIFICATION COMMISSION judging office, I have been instructed to send this letter to you with an extremely exciting message: Have you ever BEFORE won a lump-sum jackpot Award of \$1,327,940.00?

The notice also stated:

Mary Bender, Congratulations, You Have Just Won \$1,327,940.00 and the Cash Funds will be paid directly to you by your option of a lump sum check for \$1,327,940.00 or a larger sum-amount of \$2,000,000.00 to be remitted by annual payments of \$66,666.56 per year for 30 years. (Note: no taxes are withheld and no commissions are due or expressed as a condition of accepting the AWARD of CASH FUNDS through this letter).

And it stated:

FINAL INSTRUCTIONS: All applicable check-boxes have been prepared for your completion on the bottom of page 2. Please attend to this NOW. Judging policies state that the Award cannot be issued without return of the winning preselected number. . . . COMPLETE AND RETURN THE ENTIRE PAGE 2 FORM. Our office will then serve you officially and with all due distinction.

Declaration of Mary Bender - Page 1 of 3

A true and correct copy of the front page of the notice is included as Attachment A to this declaration. (I did not retain a copy of the second page of the notice.) The notice was accompanied by a postage-paid envelope preaddressed to ANC.

- 2. When I read the notice, I thought that it was somehow related to the Publishers Clearing House sweepstakes, with which I am familiar. I also thought that the notice was informing me that I had won a lot of money over one million dollars but needed to pay a \$12.99 fee to receive the money I had won.
- 3. Because I believed that I had won a substantial amount of money, I responded to the notice by completing the second page and placing it, along with my check for \$12.99, in the enclosed preaddressed envelope, and mailed it. Attachment B is a true and correct copy of my canceled check paid to ANC.
- 4. After I responded to this notice, I received five or six nearly identical notices by mail from ANC, one every other week or so for about 3-4 months. I then realized that I had won nothing other than the misfortune of having the company send me more notices. I never received any of the money that I believed that I had won.
- 5. After receiving the fifth or sixth notice from ANC, I filed a complaint with the Tennessee Division of Consumer Affairs. I also sent a letter to ANC asking that they stop sending me these notices and advising them that I had sent a complaint about their practices to

the Tennessee Division of Consumer Affairs. A true and correct copy of the record of that complaint is included as Attachment C. After that, I did not receive any more of these notices.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.

No.

I stupidly sent these crooks \$12.99 back in July thinking this was a requirement for something I purchased through Publishers Clearing House. Since then I have received at least half a dozen more of these notices that I have won money and I need to submit \$12.99 or more as an Acquisition Fee. These people need to be shut down. Is anything being done about this? If not, why not? I can't possibly be the first to complain about this!

DECLARATION OF JAN A. CUTLER Pursuant to 28 U.S.C. § 1746

I, Jan A. Cutler, hereby state that I have personal knowledge of the facts set forth below and am competent to testify about them. If called as a witness, I could and would testify as follows:

- 1. I am 60 years old and I live in Ann Arbor, Michigan.
- 2. In early 2016, I started receiving notices in the mail from companies in Kansas and Missouri stating that I had won a lot of money. The notices instructed me to complete and send in forms along with money for fees to receive the prize money I'd won. The fees ranged between \$10 and \$20. I was excited to receive the notices because I live on a low fixed income and really could use the extra cash.
- 3. I started sending in the forms and fees as the notices instructed. I always paid the fees in cash. The more notices I responded to, the more I seemed to receive. For about seven months, I received and responded to the notices from the entities in Kansas and Missouri, sometimes as many as five or six a day. I estimate that, in total, I sent in about \$8,000 in cash. I kept expecting to receive the prize money that the notices said I'd won.
- 4. When I finally told a friend that I had been sending money in response to the notices from Kansas and Missouri, my friend told me to stop, which I did. Although I kept receiving notices, I didn't send in any more money.
- 5. Attached to this declaration as Attachment A are true and correct copies of some of the notice I received.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.

OFFICIAL RULES

Capital Reserve VII Contest

(Game 1, Game 2, Game 3)

- 1. You must be 18 years or older to participate. Sponsors and their families are not eligible. Contestants and any of their family members (related by marriage or otherwise), who aggregate \$20,000.00 or more (or local currency equivalent) in lifetime winnings from North American Award Center, or its affiliates, including Opportunities Unlimited Publications, Inc., at the time prizes are determined in this contest are not eligible to win. Prizes in this contest of skill are subject to all federal, state, and local regulations and taxes. We are not responsible for lost, stolen, or delayed mail. Void where prohibited.
- 2. Capital Reserve VII is not a sweepstakes or lottery. It is a contest of skill involving no luck or chance. Correctly solve the Qualifying Puzzle to be eligible to play all three Games. This contest consists of three games plus tiebreakers requiring contestants to successfully use math skills. The initial tiebreakers utilize math skills similar to those in the original Capital Reserve VII Qualifying Puzzle. The second tiebreakers will attempt to narrow the playing field further to the top scoring contestants. The third tiebreakers (and any subsequent tiebreakers that may be necessary), will be increasingly difficult, and require greater levels of math skills, in much larger puzzle grids, with a difficulty level designed to determine the final winners. Customers may request sample tiebreakers at any stage in the competition before proceeding to the next stage. Photocopies and faxes will not be accepted for Tiebreaker entries.
- 3. Required And Optional Fees: The prize in each game is \$7,000.00, and the maximum cost to compete in all three games for \$21,000.00 USD is \$20 plus 2 possible tiebreaker handling charges of \$5 each per game (total \$50 USD plus appropriate first class postage to return ten reply forms). Fee discounts may be offered. In some states, lower tiebreaker fees may apply. Returned checks may be subject to electronic redeposit without further notice. Recovery fees as allowed by state law may be assessed and may be debited from your checking account. No additional fees are required. At two later points in the contest, you may be given up to two opportunities to compete for optional bonus cash prizes; on your first tiebreaker for each game and on your second tiebreaker for each game. These Bonus Cash Prizes will be added to the Grand Prize for each game. Bonus fees range from \$10 to \$45, depending on the additional bonus prize amount you may select. Maximum cost to play for all advertised prizes in all games totaling \$40,500.00 USD is \$260 USD plus appropriate first class postage to return ten reply forms. Payment of the bonus fees, and playing for bonus prizes are optional and will not affect your present opportunity to win or share a Grand Prize. Bonus prizes are applicable only to the Grand Prize winners. In the event of a tie for bonus prize money, the bonus prize will be divided per capita by those winners who have submitted winning bonus entries. Only bonus participants will share in bonus prizes. In some countries including United Kingdom, Australia, Canada, New Zealand and South Africa, prizes and fees have been converted from US Dollars to local currency using the exchange rate calculated at the start date of the contest. Prizes may be awarded in US Dollars equivalent to the local currency prize amount advertised.
- 4. Estimated Number of Contestants: Approximately 100,000 contestants are anticipated. Of those, about 91% (91,000) are expected to correctly solve the Qualification Puzzle and receive up to three successive Tiebreakers for each of the three games. About 13% (13,000) are expected to submit highest scoring initial tiebreakers; less than 1% (1,000) of those entering are expected to submit highest scoring second tiebreakers, and the third or fourth tiebreakers will determine the final winners. A correct solution at each stage will advance you to the next exciting round of each game.
- 5. Sponsor reserves the right to determine the number of tiebreakers, not to exceed four per game. The final tiebreakers in each game will be much more difficult. If two or more winning entries are tied after the final tiebreaker, prizes will be shared per capita by winners. Contestants may play multiple times to improve tiebreaker scores. However, Sponsor reserves the right to limit the number of entries any individual contestant may submit. Winners will receive, in addition to their prizes, double the amount of their original entry fees, including any bonus or tiebreaker fees, for each multiple winning entry submitted. Sponsor anticipates that less than 5% of entry fees will be distributed in prizes. One Grand Prize will be awarded in each game and could be shared with other contestants. All payments to winners are lump sum cash payments.
- 6. Different versions of this offer may be tested and used, including fee and graphic presentations. Puzzle solutions found to be created in part or in whole by collusion, or solutions submitted by proxy or via fictitious identities will be disqualified. No entrants will be accepted after **July 15, 2017**; winners and prizes will be determined by **January 15, 2018**. There will be a 30-day rejudge period following the prize determination date, and winners will be paid within 60 days thereof on **April 15, 2018**. Entries received after **July 15, 2017**, will automatically be entered in a subsequent, similar contest.
- 7. Liability for judging errors is limited to a complete refund of entry fees paid plus postage. If a contestant suspects a judging error, he or she must notify sponsor in writing within 30 days of the prize determination date. No adjustments will be made after prizes have been paid. Winners are determined on the basis of correct and top-scoring answers to tiebreakers. Most tiebreakers are judged by computer programs; remaining tiebreakers require manual judging. All winning tiebreakers are hand-verified by qualified judges who are employed by sponsor, and who have been trained by sponsor in computer judging programs and/or manual verification procedures. Submission of your entry constitutes acceptance of all contest rules. Decisions of the Judges are final. South Africa residents warrant that in effecting payment of any competition participation fees, they have complied in all respects with the exchange control regulations.
- 8. The Unconditional Guarantee of Satisfaction is applicable to registered contestants in any open contest prior to being notified of an incorrect entry.
- 9. A winners list is available after contest prize determination date by sending \$1 and a self-addressed envelope to Capital Reserve VII Winners List, 1401 Armour Road, North Kansas City, MO 64116 USA. All final tiebreaker respondents in each game will automatically be mailed a winners list. Winners agree, without further compensation, to supply North American Award Center, with their photograph and to allow unlimited promotional use of their name and likeness.
- 10. Questions? Send all correspondence to North American Award Center, Capital Reserve VII, 1401 Armour Road, P.O. Box 219250, Kansas City, MO 64121-9250 USA. Detailed tiebreaker rules, previous winners lists and samples of tiebreakers from other contests, which illustrate the level of difficulty, may be obtained in advance of entry by contacting Customer Service at (816) 842-5510. - 2. Cash Connection VI is not a sweepstakes or lottery. It is a contest of skill involving no luck or chance. - 3. Estimated Number of Contestants: Approximately 40,000 contestants are anticipated. 89% (35,600) are expected to correctly answer the Qualification Question and ecceive up to four successive Tiebreakers. We anticipate that about 26% of those entering (10,400) will return the correct solution to the Tiebreaker I, less than 1% (400) to the Tiebreaker III, and that the Tiebreaker IIII will determine winners. Sponsor reserves the right to determine the number of Tiebreakers, not to exceed four. The final Tiebreaker will be much more difficult. Photocopies and faxes will not be accepted for Tiebreaker and Bonus entries. If two or more winning entries are tied after the final Tiebreaker, prizes will be shared per capita by winners. One Grand Prize will be awarded, and could be shared with other contestants. Sponsor anticipates that less han 5% of entry fees will be distributed in prizes.
- 1. The Tiebreaker I is similar in concept to the original Cash Connection VI Contest Qualification Question, and it will utilize similar, slightly more challenging math skills. The Tiebreaker II will attempt to narrow the playing field to the top-scoring contestants. The Tiebreaker III (and any subsequent Tiebreaker that may be necessary) will be ncreasingly difficult and require greater math skills, in a much larger puzzle grid, with a difficulty level designed to determine the final winners. A correct solution at each stage will advance you to the next exciting round. Customers may request sample Tiebreakers at any stage in the competition before proceeding to the next stage.

No entrants will be accepted for this contest after **April 15, 2017**; winners and prizes will be determined by **October 15, 2017**. There will be a 30-day rejudge period following the prize determination date, and winners will be paid within 60 days thereof. Entries received after **April 15, 2017**, will automatically be entered in a subsequent, similar contest. Scheduled Prize Pay date is **January 13, 2018**.
- 3. At three later points in the contest, you may be given up to three opportunities to compete for optional bonus cash prizes: on your first Tiebreaker, on a separate bonus mailing, and on your second Tiebreaker. These Bonus Cash Prizes will be added to the Grand Prize. Bonus Cash fees range from \$10 to \$45, depending on the additional bonus prize amount you may select. Maximum cost to play for the Grand Prize and all Bonus Cash Options advertised is \$155 plus appropriate first class postage to return four reply forms. Fee discounts may apply. Payment of the bonus cash fees, and playing for bonus cash are optional, and will not affect your present opportunity to win or share a Grand Prize. Bonus Prizes are applicable only to the Grand Prize Winner. In the event of a tie for Bonus Prize Money, Bonus Cash will be divided per capita by those winners who have submitted winning bonus entries; only Bonus Participants will share in bonus prizes. In some countries including United Kingdom, Australia, Canada, New Zealand and South Africa, prizes and fees have been converted from US Dollars to local currency using the exchange rate calculated at the start date of the contest. - 7. Liability for judging errors is limited to a complete refund of entry fees paid plus postage. If a contestant suspects a judging error, he or she must notify sponsor in writing within 30 days of the Prize determination date. No adjustments will be made after prizes have been paid. Winners are determined on the basis of correct and top-scoring answers to Tiebreakers. Most Tiebreakers are judged by computer programs; remaining Tiebreakers require manual judging. All payments to winners are lump sum cash payments. Submission of your entry constitutes acceptance of all contest rules. Decisions of the Judges are final. South Africa Residents warrant that in effecting payment of any competition participation fees, they have complied in all respects with the exchange control regulations.

International Award Payment Center, offers you the opportunity for thrilling financial rewards PLUS challenging fun and excitement. If you are not completely satisfied with our game competition – for any reason – please send us a letter and take advantage of our liberal refund policy as described more fully in the Official Rules. No reasons or explanations are necessary. There are NO STRINGS ATTACHED and our RISK FREE GUARANTEE is valid with any of our existing contests.

OFFICIAL RULES Cash Transfer Award VI Contest

- 1. You must be 18 years or older to participate. Sponsors and their families are not eligible. Contestants and any of their family members (related by marriage or otherwise) who aggregate \$20,000.00 or more (or local currency equivalent) in lifetime winnings from International Award Payment Center, or its affiliates, at the time prizes are determined in this contest are not eligible to win. Prizes in this contest of skill are subject to all federal, state, and local regulations and taxes. We are not responsible for lost, stolen, or delayed mail. Void where prohibited.
- 2. CashTransfer Award VI is not a sweepstakes or lottery. It is a contest of skill involving no luck or chance. This contest consists of your initial entry plus Tiebreakers, requiring contestants to successfully use math skills. The Grand Prize is \$15,000.00. The maximum cost to compete for the Grand Prize is \$20 plus up to two Tiebreaker handling charges of \$5 each (total \$30 USD plus appropriate first class postage to return four reply forms). In some states, lower tiebreaker fees may apply. Any subsequent tiebreakers are free. Returned checks may be subject to electronic redeposit without further notice. Recovery fees as allowed by state law may be assessed and may be debited from your checking account. No additional fees are required. Fee discounts may be offered. International fees may be higher, depending on currency conversion rates.
- 3. Estimated Number of Contestants: Approximately 48,000 contestants are anticipated. 84% (40,320) are expected to correctly answer the Qualification Question and receive up to four successive Tiebreakers. We anticipate that about 22% of those entering (10,560) will return the correct answer to the Tiebreaker I, less than 1% (480) to the Tiebreaker II, and that the Tiebreaker III will determine winners. Sponsor reserves the right to determine the number of Tiebreakers, not to exceed four. The final Tiebreaker will be much more difficult. Photocopies and faxes will not be accepted for Tiebreaker and Bonus entries. If two or more winning entries are tied after the final Tiebreaker, prizes will be shared per capita by winners. Contestants may play multiple times to improve Tiebreaker scores. However, Sponsor reserves the right to limit the number of entries any individual contestant may submit. Winners will receive, in addition to their prize, double the amount of their original entry fees, including any bonus and tiebreaker fees, for each multiple winning entry submitted. One Grand Prize will be awarded, and could be shared with other contestants. Sponsor anticipates that less than 5% of entry fees will be distributed in prizes.
- 4. The Tiebreaker I is similar in concept to the original Cash Transfer Award VI Contest Qualification Question, and it will utilize similar, slightly more challenging math skills. The Tiebreaker II will attempt to narrow the playing field to the top-scoring contestants. The Tiebreaker III (and any subsequent Tiebreaker that may be necessary) will be increasingly difficult and require greater math skills, in a much larger puzzle grid, with a difficulty level designed to determine the final winners. A correct solution at each stage will advance you to the next exciting round. Customers may request sample Tiebreakers at any stage in the competition before proceeding to the next stage.
- 5. Different versions of this offer may be tested and used, including fee and graphic presentations. Puzzle solutions found to be created in part or in whole by collusion, and/or solutions submitted by proxy or via fictitious identities will be disqualified. No entrants will be accepted for this contest after **September 15, 2016**; winners and prizes will be determined by **March 15, 2017**. There will be a 30-day rejudge period following the prize determination date, and winners will be paid within 60 days thereof. Entries received after **September 15, 2016**, will automatically be entered in a subsequent, similar contest. Scheduled Prize Pay date is **June 13, 2017**.
- 6. At three later points in the contest, you may be given up to three opportunities to compete for optional bonus cash prizes: on your first Tiebreaker, on a separate bonus mailing, and on your second Tiebreaker. These Bonus Cash Prizes will be added to the Grand Prize. Bonus Cash fees range from \$10 to \$45, depending on the additional bonus prize amount you may select. Maximum cost to play for the Grand Prize and all Bonus Cash Options advertised is \$155 plus appropriate first class postage to return four reply forms. Fee discounts may apply. Payment of the bonus cash fees, and playing for bonus cash are optional, and will not affect your present opportunity to win or share a Grand Prize. Bonus Prizes are applicable only to the Grand Prize Winner. In the event of a tie for Bonus Prize Money, Bonus Cash will be divided per capita by those winners who have submitted winning bonus entries; only Bonus Participants will share in bonus prizes. In some countries including United Kingdom, Australia, Canada, New Zealand and South Africa, prizes and fees have been converted from US Dollars to local currency using the exchange rate calculated at the start date of the contest. Prizes may be awarded in US Dollars equivalent to the local currency prize amount advertised.
- 7. Liability for judging errors is limited to a complete refund of entry fees paid plus postage. If a contestant suspects a judging error, he or she must notify sponsor in writing within 30 days of the Prize determination date. No adjustments will be made after prizes have been paid. Winners are determined on the basis of correct and top-scoring answers to Tiebreakers. Most Tiebreakers are judged by computer programs; remaining Tiebreakers require manual judging. All winning Tiebreakers are hand-verified by qualified Judges who are employed by Sponsor, and who have been trained by Sponsor in computer judging programs and/or manual verification procedures. All payments to winners are lump sum cash payments. Submission of your entry constitutes acceptance of all contest rules. Decisions of the Judges are final. South Africa Residents warrant that in effecting payment of any competition participation fees, they have complied in all respects with the exchange control regulations.
- 8. A Winners List is available after contest prize award date by sending \$1 and a self-addressed envelope to Cash Transfer Award VI Winners List, 1401 Armour Road, N. Kansas City, MO 64116 USA. All final Tiebreaker respondents will automatically be mailed a Winners List. Winners agree, without further compensation, to supply International Award Payment Center, with their photograph and to allow unlimited promotional use of their name and likeness.
- 9. The Unconditional Guarantee of Satisfaction is applicable to registered contestants in any open contest prior to being notified of an incorrect entry.
- 10. Questions? Send all correspondence to International Award Payment Center, Cash Transfer Award VI, P.O. Box 219909, 1401 Armour Road, Kansas City, MO 64121-9909 USA. Addressed To: $\ensuremath{\text{JAN}}$ CUTLER

This letter has been drafted under the full authority of my office as Director of Awards for delivery to you by sealed first-class mail.

We are contacting you directly from the international headquarters of the INTERNATIONAL AWARD SERVICES (IAS), and I wish to begin with some wonderful news: It is an honor to corroborate from our Judging Div. that a large Award for <u>CASH FUNDS</u>, if you have and return the preselected winning number, not to exceed the Grand Prize of <u>\$2,000,000.00</u> nor be less than <u>\$1,327,940.00</u>, could be legally transferred and upon receiving the winning entry; (Form 508002-A147) under the condition that there is no delinquency per the formal deadline.

Please make sure that I.D. #17474196-495621/297146083 conspicuously appears above or near your name on both pages 1 and 2 of this documentation as provided to you.

IMPORTANT: The preselected winning number may not be modified, defaced, marked-on or corrupted in any way; official rules, printed on a separate slip enclosed, dictate if you have received and return the preselected winning number in <u>unaltered integrity</u> and meet the deadline....

JAN CUTLER, YOU ARE THE AWARD WINNER OF \$2,000,000.00 Two Million Dollars!

This is not a misprint. The verified Winner option for receipt of the Award Funds are $\underline{insured}$ and must lawfully be paid as follows:

-- OPTION 1: A TOTAL PAYMENT OF \$2,000,000.00 VIA A 30-YEAR STRUCTURED ANNUITY DISPERSING \$66,666.66 PER YEAR FOR THIRTY CONSECUTIVE YEARS.

-- OPTION 2: A TOTAL PAYMENT OF \$1,327,940.00 PAYABLE IN A SINGLE, LUMP-SUM ALLOCATION.

At this time, please understand you have been officially informed through a signed document. There is a 7 day reply requested deadline window extended to you for completion and return of the <u>RECIPIENT PROCESSING FORM</u> on page 2. Further notices or alternate letters of contact are not required by the IAS organization.

A Premium Offer has also been consigned for your reserved purchase acquisition as an additional supplement by our public relations department. Said Premium Offer: Magnificent "Past, Present and Future" Necklace and Earring Set. The beautiful silver-tone necklace is set with 3 dazzling fire & ice crystals that are suspended from a high-fashion 18" silver-tone rope style chain. The equally gorgeous matching earrings feature surgical steel posts.

Please note that an acquisition fee of \$64.89 <u>must</u> be prepaid without exception to satisfy this transaction. If electing to purchase the Premium Offer, a delivery fee may be remitted by cash funds, or by your preference of check, money order (payable to: IAS) or credit card. If using a credit card, please make sure to include your credit card number and expiration date (month and year).

Finally, all <u>instructions</u> are furnished on the RECIPIENT PROCESSING FORM on page 2. IAS judges must inspect and make a personal record of this form at our U.S. headquarters in KANSAS CITY, KS. Obviously, the total AWARD FUNDS, at ****\$\frac{52}{2},000,000.00 \text{ Two Million Dollars}\$, are quite large. We cannot wait to see if you have the preselected winning number!

DECLARATION OF DAWN N. DALY Pursuant to 28 U.S.C. §1746

- I, Dawn N. Daly, hereby state that I have personal knowledge of the facts set forth below and am competent to testify about them. If called as a witness, I could and would testify as follows:
- 1. I am 40 years old and I reside in Brookville, Maryland. I live about ten minutes away from my 73-year-old mother, Caryn Nelson, for whom I have power of attorney.
- 2. In October 2016, my mom called me worried because she had received a letter from Bank of America stating that she had overdrawn her checking account. She was living by herself in Delaware at the time my father had recently passed away and was worried that somebody had stolen money from her account causing it to be overdrawn. Shortly after, my mom came to visit me in Maryland. While she was visiting, we went through her Bank of America checking account statement together. The account statement showed that my mom had written numerous to companies with names like: "CAP," "ASP," and "ANC."
- 3. I asked my mom what the checks were for, and she said she had written them because she had been told that she had won a lot of money and needed to send the checks in order to claim it. She was very excited, and said she was looking forward to being able to give the money she had won to her friends and family. I was worried, and told my mom that she should stop sending checks, but I was not sure what else I could do.
- 4. The next month, I went down to Delaware to visit my mom. I was shocked when I walked into her house. He whole dining room table was covered with stacks and stacks of sweepstakes announcements and other prize mailers. My mom is normally a very neat and organized person, and wouldn't leave junk mail lying around. As I read through the mailers, I noticed that almost all were from companies in the Kansas City area I could tell by the return Declaration of Dawn N. Daly Page 1 of 3

addresses – with names like Contest America Publishers, American Sweepstakes Publishers, Award Notification Commission, International Award Payment Center, and Opportunities Unlimited Publications. It was obvious that these were the companies that my mom had been writing checks to.

- 5. Many of the mailers looked very official and included seals, watermarks, and signatures of "registrars," "prize directors," and "secretaries of judging." I could tell that my mom had responded to the most of mailers because the response form was missing and, on some, she had made notes with the date that she sent in a check.
- 6. I gathered up some of the mailers and, in February 2017, gave them to a postal inspector that I knew through work. The postal inspector said that he would send the mailers to a fellow postal inspector in Kansas. Attached to this declaration as Attachment A are true and correct copies of some of the mailers that I gave to the postal inspector. The reply pages are missing because my mom sent them back in with checks. The handwritten notes with dates regarding the payments are my mom's.
- 7. I tried talking to my mom again, telling her that she should not send money to these companies. I really hoped that my mom would stop, but she didn't. Responding to these mailers consumed her. She was constantly re-ordering checks and going to the post office to buys stamps. When I called her to see what she was up to, she would say she was busy filling out forms and writing checks. When she would visit me or my sisters in Maryland, she was always worried that she was going to miss getting a check in the mail and would want to get home to Delaware as soon as possible to check her mail.
- 8. In May 2017, my sisters and I finally decided that our mom should move from Delaware to Maryland we wanted to get her away from the mailers and have her closer to us

Declaration of Dawn N. Daly - Page 2 of 3

so that we could look after her. We moved her up the following month at which time she stopped receiving the mailers. In August 2017, I received power of attorney for my mom because her memory was continuing to fail.

9. From September 2016 to May 2017, my mom sent 424 checks totaling \$11,475 to the companies in the Kansas City area. Attached hereto as **Attachment B** is a true and correct copy of a list I made of the checks my mom sent. My mom never received any prize money.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.

GUARANTEE OF SATISFACTION

International Award Payment Center, offers you the opportunity for thrilling financial rewards PLUS challenging fun and excitement. If you are not completely satisfied with our game competition – for any reason – please send us a letter and take advantage of our liberal refund policy as described more fully in the Official Rules. No reasons or explanations are necessary. There are NO STRINGS ATTACHED and our RISK FREE GUARANTEE is valid with any of our existing contests.

OFFICIAL RULES Blue Series XIII

- 1. You must be 18 years or older to participate. Sponsors and their families are not eligible. Contestants and any of their family members (related by marriage or otherwise) who aggregate \$20,000.00 or more (or local currency equivalent) in lifetime winnings from International Award Payment Center, or its affiliates, at the time prizes are determined in this contest are not eligible to win. Prizes in this contest of skill are subject to all federal, state, and local regulations and taxes. We are not responsible for lost, stolen, or delayed mail. Void where prohibited.
- 2. Blue Series XIII is not a sweepstakes or lottery. It is a contest of skill involving no luck or chance. This contest consists of your initial entry plus Tiebreakers, requiring contestants to successfully use math skills. The Grand Prize is \$15,000.00, plus there are five (5) runner-up prizes of \$1,000.00 each. Cash prizes, excluding optional bonuses, total \$20,000.00. The maximum cost to compete for the Grand Prize is \$20 USD plus up to two Tiebreaker handling charges of \$5 each (total \$30 USD plus appropriate first class postage to return four reply forms). In some states, lower tiebreaker fees may apply. Any subsequent tiebreakers are free. Returned checks may be subject to electronic redeposit without further notice. Recovery fees as allowed by state law may be assessed and may be debited from your checking account. No additional fees are required. Fee discounts may be offered. International fees may be higher, depending on currency conversion rates.
- 3. Estimated Number of Contestants: Approximately 110,000 contestants are anticipated. 83% (91,300) are expected to correctly answer the Qualification Question and receive up to four successive Tiebreakers. We anticipate that about 15% of those entering (16,500) will return the correct solution to the Tiebreaker I, less than 1% (1,100) to the Tiebreaker II, and that the Tiebreaker III will determine winners. Sponsor reserves the right to determine the number of Tiebreakers, not to exceed four. The final Tiebreaker will be much more difficult. Photocopies and faxes will not be accepted for Tiebreaker and Bonus entries. If two or more winning entries are tied after the final Tiebreaker, prizes will be shared per capita by winners. Contestants may play multiple times to improve Tiebreaker scores. However, Sponsor reserves the right to limit the number of entries any individual contestant may submit. Winners will receive, in addition to their prize, double the amount of their original entry fees, including any bonus and tiebreaker fees, for each multiple winning entry submitted. One Grand Prize will be awarded, and could be shared with other contestants. Sponsor anticipates that less than 5% of entry fees will be distributed in prizes.
- 4. The Tiebreaker I is similar in concept to the original Blue Series XIII Contest Qualification Question, and it will utilize similar, slightly more challenging math skills. The Tiebreaker II will attempt to narrow the playing field to the top-scoring contestants. The Tiebreaker III (and any subsequent Tiebreaker that may be necessary) will be increasingly difficult and require greater math skills, in a much larger puzzle grid, with a difficulty level designed to determine the final winners. A correct solution at each stage will advance you to the next exciting round. Customers may request sample Tiebreakers at any stage in the competition before proceeding to the next stage.
- 5. Different versions of this offer may be tested and used, including fee and graphic presentations. Puzzle solutions found to be created in part or in whole by collusion, and/ or solutions submitted by proxy or via fictitious identities will be disqualified. No entrants will be accepted for this contest after **May 15, 2017**; winners and prizes will be determined by **November 15, 2017**. There will be a 30-day rejudge period following the prize determination date, and winners will be paid within 60 days thereof. Entries received after **May 15, 2017**, will automatically be entered in a subsequent, similar contest. Scheduled Prize Pay date is **February 13, 2018**.
- 6. At three later points in the contest, you may be given up to three opportunities to compete for optional bonus cash prizes: on your first Tiebreaker, on a separate bonus mailing, and on your second Tiebreaker. These Bonus Cash Prizes will be added to the Grand Prize. Bonus Cash fees range from \$10 to \$45, depending on the additional bonus prize amount you may select. Maximum cost to play for the Grand Prize and all Bonus Cash Options advertised is \$155 plus appropriate first class postage to return four reply forms. Fee discounts may apply. Payment of the bonus cash fees, and playing for bonus cash are optional, and will not affect your present opportunity to win or share a Grand Prize. Bonus Prizes are applicable only to the Grand Prize Winner. In the event of a tie for Bonus Prize Money, Bonus Cash will be divided per capita by those winners who have submitted winning bonus entries; only Bonus Participants will share in bonus prizes. In some countries including United Kingdom, Australia, Canada, New Zealand and South Africa, prizes and fees have been converted from US Dollars to local currency using the exchange rate calculated at the start date of the contest. Prizes may be awarded in US Dollars equivalent to the local currency prize amount advertised.
- 7. Liability for judging errors is limited to a complete refund of entry fees paid plus postage. If a contestant suspects a judging error, he or she must notify sponsor in writing within 30 days of the Prize determination date. No adjustments will be made after prizes have been paid. Winners are determined on the basis of correct and top-scoring answers to Tiebreakers. Most Tiebreakers are judged by computer programs; remaining Tiebreakers require manual judging. All winning Tiebreakers are hand-verified by qualified Judges who are employed by Sponsor, and who have been trained by Sponsor in computer judging programs and/or manual verification procedures. All payments to winners are lump sum cash payments. Submission of your entry constitutes acceptance of all contest rules. Decisions of the Judges are final. South Africa Residents warrant that in effecting payment of any competition participation fees, they have complied in all respects with the exchange control regulations.
- 8. A Winners List is available after contest prize award date by sending \$1 and a self-addressed envelope to Blue Series XIII Winners List, 1401 Armour Road, N. Kansas City, MO 64116 USA. All final Tiebreaker respondents will automatically be mailed a Winners List. Winners agree, without further compensation, to supply International Award Payment Center, with their photograph and to allow unlimited promotional use of their name and likeness.
- 9. The Unconditional Guarantee of Satisfaction is applicable to registered contestants in any open contest prior to being notified of an incorrect entry.
- 10. Questions? Send all correspondence to International Award Payment Center, Blue Series XIII, P.O. Box 219250, 1401 Armour Road, Kansas City, MO 64121-9250 USA. One Grand Prize will be awarded, and could be shared with other contestants. Sponsor anticipates that less than 5% of entry fees will be distributed in prizes.
- 4. The Tiebreaker I is similar in concept to the original Blue Series XIII Contest Qualification Question, and it will utilize similar, slightly more challenging math skills. The Tiebreaker II will attempt to narrow the playing field to the top-scoring contestants. The Tiebreaker III (and any subsequent Tiebreaker that may be necessary) will be increasingly difficult and require greater math skills, in a much larger puzzle grid, with a difficulty level designed to determine the final winners. A correct solution at each stage will advance you to the next exciting round. Customers may request sample Tiebreakers at any stage in the competition before proceeding to the next stage.
- 5. Different versions of this offer may be tested and used, including fee and graphic presentations. Puzzle solutions found to be created in part or in whole by collusion, and/ or solutions submitted by proxy or via fictitious identities will be disqualified. No entrants will be accepted for this contest after **May 15, 2017**; winners and prizes will be determined by **November 15, 2017**. There will be a 30-day rejudge period following the prize determination date, and winners will be paid within 60 days thereof. Entries received after **May 15, 2017**, will automatically be entered in a subsequent, similar contest. Scheduled Prize Pay date is **February 13, 2018**.
- 6. At three later points in the contest, you may be given up to three opportunities to compete for optional bonus cash prizes: on your first Tiebreaker, on a separate bonus mailing, and on your second Tiebreaker. These Bonus Cash Prizes will be added to the Grand Prize. Bonus Cash fees range from \$10 to \$45, depending on the additional bonus prize amount you may select. Maximum cost to play for the Grand Prize and all Bonus Cash Options advertised is \$155 plus appropriate first class postage to return four reply forms. Fee discounts may apply. Payment of the bonus cash fees, and playing for bonus cash are optional, and will not affect your present opportunity to win or share a Grand Prize. Bonus Prizes are applicable only to the Grand Prize Winner. In the event of a tie for Bonus Prize Money, Bonus Cash will be divided per capita by those winners who have submitted winning bonus entries; only Bonus Participants will share in bonus prizes. In some countries including United Kingdom, Australia, Canada, New Zealand and South Africa, prizes and fees have been converted from US Dollars to local currency using the exchange rate calculated at the start date of the contest. Prizes may be awarded in US Dollars equivalent to the local currency prize amount advertised.
- 7. Liability for judging errors is limited to a complete refund of entry fees paid plus postage. If a contestant suspects a judging error, he or she must notify sponsor in writing within 30 days of the Prize determination date. No adjustments will be made after prizes have been paid. Winners are determined on the basis of correct and top-scoring answers to Tiebreakers. Most Tiebreakers are judged by computer programs; remaining Tiebreakers require manual judging. All winning Tiebreakers are hand-verified by qualified Judges who are employed by Sponsor, and who have been trained by Sponsor in computer judging programs and/or manual verification procedures. All payments to winners are lump sum cash payments. Submission of your entry constitutes acceptance of all contest rules. Decisions of the Judges are final. South Africa Residents warrant that in effecting payment of any competition participation fees, they have complied in all respects with the exchange control regulations.
- 8. A Winners List is available after contest prize award date by sending \$1 and a self-addressed envelope to Blue Series XIII Winners List, 1401 Armour Road, N. Kansas City, MO 64116 USA. All final Tiebreaker respondents will automatically be mailed a Winners List. OFFICIAL RULES Blue Series XIII

- 1. You must be 18 years or older to participate. Sponsors and their families are not eligible. Contestants and any of their family members (related by marriage or otherwise) who aggregate \$20,000.00 or more (or local currency equivalent) in lifetime winnings from International Award Payment Center, or its affiliates, at the time prizes are determined in this contest are not eligible to win. Prizes in this contest of skill are subject to all federal, state, and local regulations and taxes. We are not responsible for lost, stolen, or delayed mail. Void where prohibited.
- 2. Blue Series XIII is not a sweepstakes or lottery. It is a contest of skill involving no luck or chance. This contest consists of your initial entry plus Tiebreakers, requiring contestants to successfully use math skills. The Grand Prize is \$15,000.00, plus there are five (5) runner-up prizes of \$1,000.00 each. Cash prizes, excluding optional bonuses, total \$20,000.00. The maximum cost to compete for the Grand Prize is \$20 USD plus up to two Tiebreaker handling charges of \$5 each (total \$30 USD plus appropriate first class postage to return four reply forms). In some states, lower tiebreaker fees may apply. Any subsequent tiebreakers are free. Returned checks may be subject to electronic redeposit without further notice. Recovery fees as allowed by state law may be assessed and may be debited from your checking account. No additional fees are required. Fee discounts may be offered. International fees may be higher, depending on currency conversion rates.
- 3. **Estimated Number of Contestants:** Approximately 110,000 contestants are anticipated. 83% (91,300) are expected to correctly answer the Qualification Question and receive up to four successive Tiebreakers. Sponsor reserves the right to determine the number of Tiebreakers, not to exceed four. The final Tiebreaker will be much more difficult. Photocopies and faxes will not be accepted for Tiebreaker and Bonus entries. If two or more winning entries are tied after the final Tiebreaker, prizes will be shared per capita by winners. Contestants may play multiple times to improve Tiebreaker scores. However, Sponsor reserves the right to limit the number of entries any individual contestant may submit. Winners will receive, in addition to their prize, double the amount of their original entry fees, including any bonus and tiebreaker fees, for each multiple winning entry submitted. One Grand Prize will be awarded, and could be shared with other contestants. Sponsor anticipates that less than 5% of entry fees will be distributed in prizes.

Bonus prizes are applicable only to the Grand Prize winners. In the event of a tie for bonus prize money, the bonus prize will be divided per capita by those winners who have submitted winning bonus entries. Only bonus participants will share in bonus prizes. In some countries including United Kingdom, Australia, Canada, New Zealand and South Africa, prizes and fees have been converted from US Dollars to local currency using the exchange rate calculated at the start date of the contest. Prizes may be awarded in US Dollars equivalent to the local currency prize amount advertised.
- 4. **Estimated Number of Contestants:** Approximately 40,000 contestants are anticipated. Of those, about 82% (32,800) are expected to correctly solve the Qualification Puzzle and receive up to three successive Tiebreakers for each of the three games. About 15% (6,000) are expected to submit highest scoring initial tiebreakers; less than 1% (400) of those entering are expected to submit highest scoring second tiebreakers, and the third or fourth tiebreakers will determine the final winners. A correct solution at each stage will advance you to the next exciting round of each game.
- 5. Sponsor reserves the right to determine the number of tiebreakers, not to exceed four per game. The final tiebreakers in each game will be much more difficult. If two or more winning entries are tied after the final tiebreaker, prizes will be shared per capita by winners. Contestants may play multiple times to improve tiebreaker scores. However, Sponsor reserves the right to limit the number of entries any individual contestant may submit. Winners will receive, in addition to their prizes, double the amount of their original entry fees, including any bonus or tiebreaker fees, for each multiple winning entry submitted. Sponsor anticipates that less than 5% of entry fees will be distributed in prizes. One Grand Prize will be awarded in each game and could be shared with other contestants. All payments to winners are lump sum cash payments.
- 6. Different versions of this offer may be tested and used, including fee and graphic presentations. Puzzle solutions found to be created in part or in whole by collusion, or solutions submitted by proxy or via fictitious identities will be disqualified. No entrants will be accepted after **October 15, 2016**; winners and prizes will be determined by **April 15, 2017**. There will be a 30-day rejudge period following the prize determination date, and winners will be paid within 60 days thereof on **July 14, 2017**. Entries received after **October 15, 2016**, will automatically be entered in a subsequent, similar contest.
- 7. Liability for judging errors is limited to a complete refund of entry fees paid plus postage. If a contestant suspects a judging error, he or she must notify sponsor in writing within 30 days of the prize determination date. No adjustments will be made after prizes have been paid. Winners are determined on the basis of correct and top-scoring answers to tiebreakers. Most tiebreakers are judged by computer programs; remaining tiebreakers require manual judging. All winning tiebreakers are hand-verified by qualified judges who are employed by sponsor, and who have been trained by sponsor in computer judging programs and/or manual verification procedures. Submission of your entry constitutes acceptance of all contest rules. Decisions of the Judges are final. South Africa residents warrant that in effecting payment of any competition participation fees, they have complied in all respects with the exchange control regulations.
- 8. The Unconditional Guarantee of Satisfaction is applicable to registered contestants in any open contest prior to being notified of an incorrect entry.
- 9. A winners list is available after contest prize determination date by sending \$1 and a self-addressed envelope to BreakThe Bank III Winners List, 1401 Armour Road, North Kansas City, MO 64116 USA. All final tiebreaker respondents in each game will automatically be mailed a winners list. Winners agree, without further compensation, to supply Contest America Publishers, Inc., with their photograph and to allow unlimited promotional use of their name and likeness.
- 10. Questions? Send all correspondence to Contest America Publishers, Inc., BreakThe Bank III, P.O. Box 219909, 1401 Armour Road, N. Kansas City, MO 64121-9909 USA. OFFICIAL RULES

Break The Bank IV Contest

(Game 1, Game 2, Game 3)

- 1. You must be 18 years or older to participate. Sponsors and their families are not eligible. Contestants and any of their family members (related by marriage or otherwise), who aggregate \$20,000.00 or more (or local currency equivalent) in lifetime winnings from Contest America Publishers, Inc., at the time prizes are determined in this contest are not eligible to win. Prizes in this contest of skill are subject to all federal, state, and local regulations and taxes. We are not responsible for lost, stolen, or delayed mail. Void where prohibited.
- 2. BreakThe Bank IV is not a sweepstakes or lottery. It is a contest of skill involving no luck or chance. Correctly solve the Qualification Puzzle to be eligible to play all three Games. This contest consists of three games plus tiebreakers requiring contestants to successfully use math skills. The initial tiebreakers utilize math skills similar to those in the original BreakThe Bank IV Qualifying Puzzle. The second tiebreakers will attempt to narrow the playing field further to the top scoring contestants. The third tiebreakers (and any subsequent tiebreakers that may be necessary), will be increasingly difficult, and require greater levels of math skills, in much larger puzzle grids, with a difficulty level designed to determine the final winners. Customers may request sample tiebreakers at any stage in the competition before proceeding to the next stage. Photocopies and faxes will not be accepted for Tiebreaker entries.
- 3. Required And Optional Fees: The prize in each game is \$7,000.00, and the maximum cost to compete in all three games for \$21,000.00 USD is \$20 plus two possible tiebreaker handling charges of \$5 each per game (total \$50 USD plus appropriate first class postage to return ten reply forms). Fee discounts may be offered. In some states, lower tiebreaker fees may apply. Returned checks may be subject to electronic redeposit without further notice. Recovery fees as allowed by state law may be assessed and may be debited from your checking account. No additional fees are required. At two later points in the contest, you may be given up to two opportunities to compete for optional bonus cash prizes; on your first tiebreaker for each game and on your second tiebreaker for each game. These Bonus Cash Prizes will be added to the Grand Prize for each game. Bonus fees range from \$10 to \$45, depending on the additional bonus prize amount you may select. Maximum cost to play for all advertised prizes in all games totaling \$40,500.00 USD is \$260 USD plus appropriate first class postage to return ten reply forms. Payment of the bonus fees, and playing for bonus prizes are optional and will not affect your present opportunity to win or share a Grand Prize. Bonus prizes are applicable only to the Grand Prize winners. In the event of a tie for bonus prize money, the bonus prize will be divided per capita by those winners who have submitted winning bonus entries. Only bonus participants will share in bonus prizes. In some countries including United Kingdom, Australia, Canada, New Zealand and South Africa, prizes and fees have been converted from US Dollars to local currency using the exchange rate calculated at the start date of the contest. (Game 1, Game 2, Game 3)

- 1. You must be 18 years or older to participate. Sponsors and their families are not eligible. Contestants and any of their family members (related by marriage or otherwise), who aggregate \$20,000.00 or more (or local currency equivalent) in lifetime winnings from Contest America Publishers, Inc., at the time prizes are determined in this contest are not eligible to win. Prizes in this contest of skill are subject to all federal, state, and local regulations and taxes. We are not responsible for lost, stolen, or delayed mail. Void where prohibited.
- 2. BreakThe Bank IV is not a sweepstakes or lottery. It is a contest of skill involving no luck or chance. Correctly solve the Qualification Puzzle to be eligible to play all three Games. This contest consists of three games plus tiebreakers requiring contestants to successfully use math skills. The initial tiebreakers utilize math skills similar to those in the original BreakThe Bank IV Qualifying Puzzle. The second tiebreakers will attempt to narrow the playing field further to the top scoring contestants. The third tiebreakers (and any subsequent tiebreakers that may be necessary), will be increasingly difficult, and require greater levels of math skills, in much larger puzzle grids, with a difficulty level designed to determine the final winners. Customers may request sample tiebreakers at any stage in the competition before proceeding to the next stage. Photocopies and faxes will not be accepted for Tiebreaker entries.
- 3. Required And Optional Fees: The prize in each game is \$7,000.00, and the maximum cost to compete in all three games for \$21,000.00 USD is \$20 plus two possible tiebreaker handling charges of \$5 each per game (total \$50 USD plus appropriate first class postage to return ten reply forms). Fee discounts may be offered. In some states, lower tiebreaker fees may apply. Returned checks may be subject to electronic redeposit without further notice. Recovery fees as allowed by state law may be assessed and may be debited from your checking account. No additional fees are required. At two later points in the contest, you may be given up to two opportunities to compete for optional bonus cash prizes; on your first tiebreaker for each game and on your second tiebreaker for each game. These Bonus Cash Prizes will be added to the Grand Prize for each game. Bonus fees range from \$10 to \$45, depending on the additional bonus prize amount you may select. Maximum cost to play for all advertised prizes in all games totaling \$40,500.00 USD is \$260 USD plus appropriate first class postage to return ten reply forms. Payment of the bonus fees, and playing for bonus prizes are applicable only to the Grand Prize winners. In the event of a tie for bonus prize money, the bonus prize will be divided per capita by those winners who have submitted winning bonus entries. Only bonus participants will share in bonus prizes. In some countries including United Kingdom, Australia, Canada, New Zealand and South Africa, prizes and fees have been converted from US Dollars to local currency using the exchange rate calculated at the start date of the contest. Prizes may be awarded in US Dollars equivalent to the local currency prize amount advertised.
- 4. **Estimated Number of Contestants:** Approximately 35,000 contestants are anticipated. Of those, about 80% (28,000) are expected to correctly solve the Qualification Puzzle and receive up to three successive Tiebreakers for each of the three games. About 17% (5,950) are expected to submit highest scoring initial tiebreakers; less than 1% (350) of those entering are expected to submit highest scoring second tiebreakers, and the third or fourth tiebreakers will determine the final winners. A correct solution at each stage will advance you to the next exciting round of each game.
- 5. Sponsor reserves the right to determine the number of tiebreakers, not to exceed four per game. The final tiebreakers in each game will be much more difficult. If two or more winning entries are tied after the final tiebreaker, prizes will be shared per capita by winners. Contestants may play multiple times to improve tiebreaker scores. However, Sponsor reserves the right to limit the number of entries any individual contestant may submit. Winners will receive, in addition to their prizes, double the amount of their original entry fees, including any bonus or tiebreaker fees, for each multiple winning entry submitted. Sponsor anticipates that less than 5% of entry fees will be distributed in prizes. One Grand Prize will be awarded in each game and could be shared with other contestants. All payments to winners are lump sum cash payments.
- 6. Different versions of this offer may be tested and used, including fee and graphic presentations. Puzzle solutions found to be created in part or in whole by collusion, or solutions submitted by proxy or via fictitious identities will be disqualified. No entrants will be accepted after **October 15, 2017**; winners and prizes will be determined by **April 15, 2018**. There will be a 30-day rejudge period following the prize determination date, and winners will be paid within 60 days thereof on **July 14, 2018**. Entries received after **October 15, 2017**, will automatically be entered in a subsequent, similar contest.
- 7. Liability for judging errors is limited to a complete refund of entry fees paid plus postage. If a contestant suspects a judging error, he or she must notify sponsor in writing within 30 days of the prize determination date. No adjustments will be made after prizes have been paid. Winners are determined on the basis of correct and top-scoring answers to tiebreakers. Most tiebreakers are judged by computer programs; remaining tiebreakers require manual judging. All winning tiebreakers are hand-verified by qualified judges who are employed by sponsor, and who have been trained by sponsor in computer judging programs and/or manual verification procedures. Submission of your entry constitutes acceptance of all contest rules. Decisions of the Judges are final. South Africa residents warrant that in effecting payment of any competition participation fees, they have complied in all respects with the exchange control regulations.
- 8. The Unconditional Guarantee of Satisfaction is applicable to registered contestants in any open contest prior to being notified of an incorrect entry.
- 9. A winners list is available after contest prize determination date by sending \$1 and a self-addressed envelope to BreakThe Bank IV Winners List, 1401 Armour Road, North Kansas City, MO 64116 USA. All final tiebreaker respondents in each game will automatically be mailed a winners list. Winners agree, without further compensation, to supply Contest America Publishers, Inc., with their photograph and to allow unlimited promotional use of their name and likeness.

OFFICIAL RULES Jewel Jubilee Express

- 1. You must be 18 years or older to participate. Sponsors and their families are not eligible. Contestants and any of their family members (related by marriage or otherwise) who aggregate \$20,000.00 or more (or local currency equivalent) in lifetime winnings from Opportunities Unlimited Publications, Inc., or its affiliates, at the time prizes are determined in this contest are not eligible to win. Prizes in this contest of skill are subject to all federal, state, and local regulations and taxes. We are not responsible for lost, stolen, or delayed mail. Void where prohibited.
- 2. Jewel Jubilee Express is not a sweepstakes or lottery. It is a contest of skill involving no luck or chance. This contest consists of your initial entry plus Tiebreakers, requiring contestants to successfully use math skills. The Grand Prize is \$12,000.00. The maximum cost to compete for the Grand Prize is \$20 USD plus up to two Tiebreaker handling charges of \$5 each (total \$30 USD plus appropriate first class postage to return four reply forms). In some states, lower tiebreaker fees may apply. Any subsequent tiebreakers are free. Returned checks may be subject to electronic redeposit without further notice. Recovery fees as allowed by state law may be assessed and may be debited from your checking account. No additional fees are required. Fee discounts may be offered. International fees may be higher, depending on currency conversion rates.
- 3. Estimated Number of Contestants: Approximately 30,000 contestants are anticipated. 85% (25,500) are expected to correctly answer the Qualification Question and receive up to four successive Tiebreakers. We anticipate that about 22% of those entering (6,600) will return the correct solution to the Tiebreaker I, less than 1% (300) to the Tiebreaker II, and that the Tiebreaker III will determine winners. Sponsor reserves the right to determine the number of Tiebreakers, not to exceed four. The final Tiebreaker will be much more difficult. Photocopies and faxes will not be accepted for Tiebreaker and Bonus entries. If two or more winning entries are tied after the final Tiebreaker, prizes will be shared per capita by winners. Contestants may play multiple times to improve Tiebreaker scores. However, Sponsor reserves the right to limit the number of entries any individual contestant may submit. Winners will receive, in addition to their prize, double the amount of their original entry fees, including any bonus and tiebreaker fees, for each multiple winning entry submitted. One Grand Prize will be awarded, and could be shared with other contestants. Sponsor anticipates that less than 5% of entry fees will be distributed in prizes.
- 4. The Tiebreaker I is similar in concept to the original Jewel Jubilee Express Contest Qualification Question, and it will utilize similar, slightly more challenging math skills. The Tiebreaker II will attempt to narrow the playing field to the top-scoring contestants. The Tiebreaker III (and any subsequent Tiebreaker that may be necessary) will be increasingly difficult and require greater math skills, in a much larger puzzle grid, with a difficulty level designed to determine the final winners. A correct solution at each stage will advance you to the next exciting round. Customers may request sample Tiebreakers at any stage in the competition before proceeding to the next stage.
- 5. Different versions of this offer may be tested and used, including fee and graphic presentations. Puzzle solutions found to be created in part or in whole by collusion, and/or solutions submitted by proxy or via fictitious identities will be disqualified. No entrants will be accepted for this contest after the Postmark Deadline of **December 31, 2016**; winners and prizes will be determined by **May 31, 2017**. There will be a 30-day rejudge period following the prize determination date, and winners will be paid within 60 days thereof. Entries postmarked after **December 31, 2016**, will automatically be entered in a subsequent, similar contest. Scheduled Prize Pay date is **August 29, 2017**.
- 6. At three later points in the contest, you may be given up to three opportunities to compete for optional bonus cash prizes: on your first Tiebreaker, on a separate bonus mailing, and on your second Tiebreaker. These Bonus Cash Prizes will be added to the Grand Prize. Bonus Cash fees range from \$10 to \$35, depending on the additional bonus prize amount you may select. Maximum cost to play for the Grand Prize and all Bonus Cash Options advertised is \$125 plus appropriate first class postage to return four reply forms. Fee discounts may apply. Payment of the bonus cash fees, and playing for bonus cash are optional, and will not affect your present opportunity to win or share a Grand Prize. Bonus Prizes are applicable only to the Grand Prize Winner. In the event of a tie for Bonus Prize Money, Bonus Cash will be divided per capita by those winners who have submitted winning bonus entries; only Bonus Participants will share in bonus prizes. In some countries including United Kingdom, Australia, Canada, New Zealand and South Africa, prizes and fees have been converted from US Dollars to local currency using the exchange rate calculated at the start date of the contest. Prizes may be awarded in US Dollars equivalent to the local currency prize amount advertised.
- 7. Liability for judging errors is limited to a complete refund of entry fees paid plus postage. If a contestant suspects a judging error, he or she must notify sponsor in writing within 30 days of the Prize determination date. No adjustments will be made after prizes have been paid. Winners are determined on the basis of correct and top-scoring answers to Tiebreakers. Most Tiebreakers are judged by computer programs; remaining Tiebreakers require manual judging. All winning Tiebreakers are hand-verified by qualified Judges who are employed by Sponsor, and who have been trained by Sponsor in computer judging programs and/or manual verification procedures. All payments to winners are lump sum cash payments. Submission of your entry constitutes acceptance of all contest rules. Decisions of the Judges are final. South Africa Residents warrant that in effecting payment of any competition participation fees, they have complied in all respects with the exchange control regulations.
- 8. A Winners List is available after contest prize award date by sending \$1 and a self-addressed envelope to Jewel Jubilee Express Winners List, 1401 Armour Road, N. Kansas City, MO 64116 USA. All final Tiebreaker respondents will automatically be mailed a Winners List. Winners agree, without further compensation, to supply Opportunities Unlimited Publications, Inc., with their photograph and to allow unlimited promotional use of their name and likeness.
- 9. The Unconditional Guarantee of Satisfaction is applicable to registered contestants in any open contest prior to being notified of an incorrect entry.
- 10. Questions? Send all correspondence to Opportunities Unlimited Publications, Inc., Jewel Jubilee Express, 1401 Armour Road, P.O. Box 219250, Kansas City, MO 64121-9250 USA.
